Dear Tom & Lill,

Sorry I have not written before
but better late than never. Well we are
all quite well at home the two boys
plenty of work, Horace has been all
night week for 5 weeks & starts day
work on Monday. I am glad to hear
Tom has got plenty, I am still out
myself. It is quite true what Winnie
said about our firm might have some
for work but the devil knows when
as they allways were backward in
getting orders. I am glad you liked
the firescreen, I thought the colour
was about right. I dont think it
advisable to get new carpet for a
while to get it worn out quickly.

We were surprised Fred brought
George home, but still it is nothing
to do with us. Yes, Edie & the babies
are going on quite alright, as a matter
of fact they were here last Sunday

she went to church. They did say something about Will might be going away but they've heard no more. No, Flo & the rest of the family are at home. Of course Joan finished up. The six that are away very comfortable, in fact I have got a letter here to send to them when I post yours. They are at Norfolk.

Well, dear Tom & Lill I just want to have a look at the paper for a few minutes so I think I will close till next time.

The following is Edna & the others' address,
Miss Edna Rooke,

% Colonel Maxwell,

Thorpe House,

Thorpe Abbots,

Mr Diss.

Norfolk.

Love from all at home.

Mum & Dad.

P.S. Lillian Waller, got married yesterday (Sat.) while we had a severe storm for a little while. The bridegroom was half hour late, went and had one I expect.
